To whom it may concern

Granada, May 30, 2023

Estimated supplier:

In order to comply with the requirements established in our management system based on ISO 9001: 2015 and ISO 14001: 2015 at WHITEWALL SOLUTIONS, SL we want to inform you that the products/services provided by your organization are subject to an evaluation based on the criteria defined in each department.

- Contact time
- Quality/price ratio
- Number of non-conformities/incidents

Our collaboration may be affected in the case that evaluation of your organization is not satisfactory based on our standards.

For suppliers whose activity involves some incident type environmental, we may request additional documentation that demonstrates adequate environmental behavior.

We also want to take this opportunity to inform you that our policy can be found on our website <https://whitewallsolutions.com/quality-policy/>), which must be understood and respected by all the organizations that work with us, as well as the commitments regarding environmental)

Thank you and receive a cordial greeting.

Carefully,

Jose Manuel Gonzalez Lopez
